The Joint Educational Parent Advisory Group in conjunction with Ontario Association of Parents in Catholic Education

in association with:

*is challenging you to **“create a change”***

JEPAG is challenging **ALL** schools within the Hamilton Wentworth Catholic District School Board, to gather up all the pennies they can and bring them to one of our final meetings: April 18th or May 16th

Why should you?

For every \$25.00 worth of pennies collected, Free The Children estimates that one person can be given clean water for the rest of their life. It is all part of Free the Children access to clean water.

See <http://www.freethechildren.com/get-involved/campaigns/we-create-change/>

Bring your bags, containers, and bins of pennies to JEPAG so we can show Ontario Hamilton cares!

JEPAG in turn will bring them to the May AGM and Parent Conference in Peterborough, where OAPCE will track each donation from schools and school boards!

*Let's show Ontario Hamilton will be the one with the most pennies to donate and initiate a **“change for the better”**?*

We ask our children to “create change” in our world and here is an opportunity for parents with their families to really “create change” for over 100,000 people in the developing world. Are you ready to “create change”? So dig down in your dresser drawers, check your sofas, seek out grandma for her jars of pennies, gather them up and drop them off.
