Tru Earth Fund Raiser

Dear Parents,

As you know, we were unable to run our annual World's Finest Chocolate fundraiser in September, but our fundraising needs have not gone away.

We have found a remarkable new eco-friendly product our families can purchase through an online store created just for our school. Our school will earn 20% of the profit from every purchase, which will help fulfill our fundraising needs while doing the earth a great deal of good! All products purchased ship directly to the purchaser, with no shipping charges.

Tru Earth Eco-Strips are the smartest way to clean laundry, period. They are ultra-concentrated, hypoallergenic, and eco-friendly; just one strip will power through dirt and grime in all types of washing machines, including high-efficiency (HE). Additionally, they are:

- paraben-free
- phosphate-free
- free of added dyes
- free of chlorine bleach
- free of 1,4-dioxane
- biodegradable
- vegan
- ZERO WASTE! No plastic bottles!
- MADE IN CANADA!
- the perfect choice for a fundraiser we can run all year!

You'll find several other eco-friendly products on our online store (produce bags, wool dryer balls, washable makeup remover pads, metal straws, bamboo cutlery...)

Our school earns a 20% profit on every purchase we make through our online store for the entire school year. Prices start as low as \$12.95. Visit our online store at <https://fundraising.tru.earth/JohnCalvin> . All products purchased ship directly to

the purchaser, with no shipping charges. Our campaign remains open until the end of the school year, so you can place orders at your convenience and replenish your stock as needed while supporting our cause.

When you use Tru Earth Eco-Strips, you will feel confident that you are taking care of your family and their future on this planet. If we all make the switch to Tru Earth, our profits will really add up! Please share our school store <https://fundraising.tru.earth/JohnCalvin> with friends and family everywhere. Our school will earn profits on their purchases as well.
