### PRINCIPAL'S MESSAGE

OCTOBER is a humbling month. We are humbled by the beauty that surrounds us, the colours of the leaves, the sunsets and sunrises, the harvest moon. Sometimes we have to force ourselves to stop and take a look around us and appreciate all the God winks we have around us. We have been blessed with such a wonderful, free country. We have the gift of Catholic Education. Our theme this year is "Renewing the Promise." We give thanks during this time for all that we have and have been blessed with over the years. We continue to pray for all of those in need of our prayers, for those who are hungry, or thirsty, or have no home or job. We pray for all the sick and suffering and all those in need of our prayers. Give thanks and reach out to others!

#### A THANKSGIVING PRAYER

*May you always remain thankful for the gift of your life,  
And never take for granted the miracle of each breath you take,  
for your life is God's gift to you.*

*May you always remain thankful for the beauty of creation,  
and never take for granted clean air, green trees, and drinkable  
water,  
for they, too, are God's gift to you.*

*May you always remain thankful for family and friends  
and never take for granted their kindness and caring,  
for it is God who is working through them, showing his love for  
you.*

*May you always remain thankful for your clothing, food and shelter  
and never take these for granted,  
for God has asked each of us to be his hands and feet; to reach  
out and share with those who have less.*

*May you always give thanks in your heart, in both good and  
difficult times.*

*and may you never take anything for granted.*

*May you share your blessings with others,*

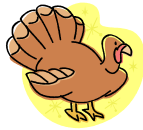

*And know that God loves you.*

## WORLD TEACHER APPRECIATION DAY OCTOBER 5TH

Thank you God for all our teachers! Keep them refreshed, renewed and safe.

### STUDENT COUNCIL MESSAGES:

We are pleased to announce that our student council has many activities and events planned for this school year. Our first event for the entire school over the next 10 months is our "Canned Food Drive Challenge". We are asking that each student in the school bring in one canned good per week to help those less fortunate than us in our community. A big THANK YOU for helping to make our Kernels Popcorn sale a sell out! Stay tuned for the next popcorn days!

Thanksgiving Liturgy will take place on Thursday October 5<sup>th</sup> at 12:50 pm. Parents are welcome to attend.

### VISITORS TO THE SCHOOL

For the safety of our children, we ask that you follow the school protocol for visitors to the school. **ALL VISITORS must report to the office first.** Thank you for your continued cooperation. Lunches must be dropped off at the table outside of the main office. We are taking all precautions to keep students safe at all times. During recess or lunch you may experience a delay in getting into the school or having the phones answered.

**If we are having a lockdown or fire evacuation drill, you will not be let into the school and your call will not be answered at this time. We will return the call as soon as possible. First lockdown will be October 26<sup>th</sup>.**

### ALLERGIES

We are asking your cooperation in continuing to keep St. Clare School safe for all our children. We have a number of students that suffer from life-threatening food allergies to nuts, peanuts, and nut products. The classmates of these students have taken home letters asking you to please not send your child with a snack or lunch that contains any nuts or nut products. Should these students come into contact with any of the above mentioned food - or the residue left when someone else has been in contact with the food - the student can go into anaphylactic shock - a potentially life-threatening situation. Since the time to prevent shock from occurring is only minutes, we want to do everything within our power to avoid this situation. We want all of our children to be safe and healthy, and these measures will help ensure this. We try to maintain a **PEANUT /NUT AWARE school FOR ALL STUDENT SAFETY**. Please read labels carefully. Products that are nut free in Canada are **not** necessarily nut free if manufactured in the U.S. or Europe. A reminder as we approach the Halloween season of treats, please choose Halloween treats with care and please be extra vigilant with school snacks. If you do want to send a treat or loot bag, avoid food products and put in pencils, erasers or supplies that can be used by the students. For a list of snacks please visit [www.anaphylaxis.canada.ca](http://www.anaphylaxis.canada.ca)

The MedicAlert® Foundation Canada is a charitable organization which is the leading provider of emergency medical information services linked to customized medical bracelets and necklaces. We are pleased to be able to offer MedicAlert memberships to students (from age 4 to their 14<sup>th</sup> birthday) through the NO CHILD WITHOUT program.

### STUDENT SUCCESS

As the school year progresses, you are reminded that school begins **at 8:40** and we hope to be finished Opening Prayers and announcements by 8:50. Arriving after the bell has a negative effect on student learning and the ability to learn the routines in the classroom. The effects of being late can set a student off for the rest of the day. When your child is absent please make sure that a sibling or a classmate can deliver the homework to your child. Arrangements can be made with the teacher in order to keep the child up to date with their work.

If there are any issues that arise in the classroom, communicate with the classroom teacher. This is critical to student success. Read and sign the agenda daily. If there are any questions or concerns, make an appointment to meet with the classroom teacher as soon as possible. Respect protocol, teacher should be first.

Students are still permitted to pay monthly with a toonie. The toonie will be collected by the classroom teacher and sent to the office.

## PARKING & TRAFFIC FLOW

The safety of all the children is our main concern. Please respect the posted signage. Cars can only park in visibly marked parking spaces in the lot or on the street. ***Kiss & Go*** drop off in front of the school is for ***mornings only***. In the evening there is ***no*** parking, stopping or idling in the area between staff parking and the sidewalk directly in front of the school. **The gate at the east parking lot will be locked each day at 3:15 pm. We have a lot more cars this year, please respect student safety and walk if you can!**

Traffic flow enters the driveway at the east end of the school and leaves by driving ***slowly*** in front of the school and exiting at the west driveway. If a babysitter or other caregiver is picking up your child, please inform them of the expectations. Please be considerate and follow the procedures for everyone's safety, not just your convenience.

## POLICE CHECKS

A new procedure has made it more convenient for parents to get a police check. The form and letter must still be picked up in the school office, filled out and submitted to the police station. If you have two pieces of identification when you drop off the letter and form, your police check will be mailed to you (saving you another trip to the police station). Cost of the police check continues to be a onetime fee of \$25.00 **Yearly declarations which will be sent home in June must still be signed to keep police check valid.**
